

## CAPTAIN BULLOCK ASSIGNED TO STAFF

Minute Men Confer Honor Upon a Young Member of Their Organization—Enthusiasm Manifested.

General Warfield Congratulates the Order Upon Its Efforts—Many Invitations Received.

At the regular weekly meeting of the Minute Men, held at headquarters, 339 Pennsylvania Avenue northwest, last week, several matters of importance arose, first among which was the announcement by Col. M. A. Winter of the assignment of Capt. T. Wingfield Bullock to the staff as inspector.

Captain Bullock is a young man of soldierly appearance. He was born in Virginia, and comes of a fine line of ancestry. His father, the Rev. Dr. J. J. Bullock, of Lexington, Ky., was an eminent Presbyterian divine, having been for years chaplain of the United States Senate, while his mother was a charter member of the Daughters of the American Revolution, and at one time was also vice president general of that society.

Captain Bullock is a college graduate and a member of the Kappa Alpha (Southern) Greek letter college fraternity. The announcement of his assignment to Colonel Winter's staff as inspector of the regiment was received with much enthusiasm.

General Warfield's Letter.

The following letter from Gen. Edwin Warfield, president general of the National Society of the Sons of the American Revolution, was read by Colonel Winter and aroused a great deal of interest in all present:

"Office of President General,

"Baltimore, Md., March 4, 1903. "Col. M. A. Winter, 339 Pennsylvania Avenue Northwest, Washington, D. C.

"My Dear Colonel: I received this morning the copies of the Washington papers giving excellent accounts of your staff, staff, and the First Regiment of Minute Men.

"I wish, on behalf of the National Society, Sons of the American Revolution, to thank you and your men for the splendid work you are doing for the cause of patriotism. You have added much to the patriotic events and occasions that have taken place in Washington recently by your presence. I have always felt a thrill of patriotism through me whenever I have beheld you and your men in your continental uniform.

## BRAKEMAN KILLED IN EARLY MORNING WRECK

Accident Occurs on the Cumberland Valley Road Near Falling Waters.

HAGERSTOWN, March 7.—Brakeman J. A. Unger was killed and several others of the crew of an extra eastbound freight train were injured in a wreck on the Cumberland Valley Railroad near Falling Waters, nine miles south of this city, at 3 o'clock this morning.

While on a grade, the train parted, and, after running some distance, the rear section collided with the front section, derailing and smashing up five cars loaded with coal. Brakeman Unger was on the last car of the front section, and was thrown against a bank and buried under tons of coal. He was crushed to death.

Brakeman Coyd Miller called to Unger to jump, which he did, but it was too late. Miller was slightly injured. Conductor Lowman and Brakeman J. A. Henry, who were on the engine, were both injured, the latter having his left leg broken. He had the same leg broken in a wreck several months ago. Unger's body was found partly imbedded in the clay bank, and was not recovered for several hours. His remains were brought here, and later taken on to Chambersburg, his home. He was twenty-five years of age, and unmarried.

A wrecking crew, with physicians on board, was sent from here to the scene of the accident. The injured were brought here.

## SINGLE TAX CLUB MEETS.

The Woman's Single Tax Club, of the District of Columbia, held its March meeting on last Monday evening at the home of Beattie Dwyer, at 1615 Twenty-first Street northwest, and was entertained with an interesting program, which included a piano solo by Mrs. Henrietta M. Davis, and five-minute papers or talks on Ernest Crosby by Mrs. Jennie L. Munroe, Edwin Marchant, by Flora Raymond; Hamlin Garland and James A. Herne, by A. Upman; John Crosby, by Mrs. Margaret L. Cooper; Henry George, Jr., by Byron W. H. Holt; William Lloyd Garrison, Louis F. Post, and Bolton K. Hall by Prof. Charles Newburgh; Palmer McGlynn, by Beattie Dwyer, and Ella Wheeler Wilcox, by Gertrude E. Metcalf.

Among those present were Mrs. Jennie L. Munroe, Mrs. Pauline Hansen, Mrs. Mary R. Fuller, Mrs. Marie Holm Heath, Mrs. Margaret L. Cooper, Mrs. Charles A. Metcalf, Mrs. Henrietta M. Davis, Mrs. M. O. Agnew, Mrs. A. D. Nolan, Flora Raymond, Bessie Dwyer, Adelia Bowen, Nellie Nolan, F. Cadol, Nellie B. Mitchell, Lucetta Flower, Gertrude E. Metcalf, Prof. Charles Newburgh, Dr. J. S. Newburgh, Byron W. H. Holt, Harry Cooper, A. Upman, W. S. Heath, William Boyd, Martin Brink, and J. T. McMurray.

## ACCUSED OF PERJURY.

Bartholomew Healey, a saloonkeeper at 921 D Street northwest, was arrested by Detective Cornwell yesterday on a warrant sworn out by Daniel McDewitt, charging him with perjury. The plaintiff asserts that Healey testified falsely at a hearing recently before Justice of the Peace Samuel R. Church. The charge is denied by the prisoner.

form. Your presence is always an object lesson to the members of our various patriotic organizations who have the pleasure of seeing you and your officers.

"With thanks for this evidence of your remembrance, and with best wishes, believe me, patriotically yours, "EDWIN WARFIELD, "President General."

Upon the conclusion of the reading of this letter a vote of thanks was carried for General Warfield and his kind expressions contained therein.

## Invitations Received.

After the usual routine work pertaining to the military organization of the Minute Men was disposed of, Colonel Winter announced the receipt of the following invitations: From Martha N. Hooper, recording secretary of the Dolly Madison Chapter, of the Daughters of the American Revolution, on behalf of that chapter to the Minute Men to be present at their monthly meeting to be held Tuesday evening, March 10, at the house of Mrs. Shuey, 2127 California Avenue northwest, from Canton Washington, No. 1, P. M., I. O. O. F., to attend the fair to be held April 13 to 25, in Odd Fellows Hall, Seventh Street, between D and E Streets northwest.

The invitation states if the Minute Men will attend in a body the Odd Fellows will send an escort to meet them at their headquarters and take them to the hall, which statement was greatly appreciated by the Minute Men. Colonel Winter also said that he, as colonel of the regiment, had received an invitation from the Old Guard, of this city, to be present to enjoy a select musical and social entertainment to be given by the Old Guard on the evening of March 17, 1903, at 1412 Pennsylvania Avenue northwest.

## Captain Smith Speaks.

Capt. F. S. Key Smith, of Colonel Winter's staff, a prominent attorney of this city, was called upon by Colonel Winter for a few remarks, and he responded by pointing out and reviewing the noble objects of the organization and making several suggestions as to the best methods to be employed to accomplish the ends sought. Captain Smith is a native of Virginia and a graduate of the College of William and Mary in that State. He is also a graduate of the National University Law School in this city.

At the close of the meeting it was suggested by Lieutenant Colonel Campbell that arrangements be made for a dinner in the near future. The suggestion met with a great deal of enthusiasm, but owing to the lateness of the hour went over until the regular meeting, to be held this coming week, when it will be taken up and acted favorably upon.

## MARYLAND COURT DISMISSES PETITION

Refuses to Set Aside Deed in Well-Known Marriottsville Case.

ELLCOTT CITY, March 7.—Chief Judge Jones today dismissed the petition filed in the circuit court here by the New York Security Company to set aside the deed in favor of George W. Church for the well-known Marriottsville property, in Howard county. The property was sold at mortgage sale about two years ago. The sale was duly ratified, but exceptions were taken to the auditor's account, which were, upon argument, overruled by this court, the case then being taken to the court of appeals, which sustained the action of the lower court.

The New York Security Company then asked that the original sale be set aside and the property resold. Carroll T. Bond, acting for William L. Marbury, argued for the plaintiff. Judge Jones dismissed the petition without hearing argument of counsel for the defendant, who was represented by Messrs. Bond & Park, of Westminster, and ex-Senator John G. Rogers, of Elliott City.

## JAMES CREEK CANAL CONDITIONS REFERRED TO BARRACKS OFFICE

On motion of Col. John Biddle, the Engineer Commissioner, Robert Murphy, of 124 O Street southwest, will be informed that the conditions complained of in James Creek Canal have been referred to the authorities of the Washington Barracks with a view to effecting a remedy.

Mr. Murphy complained especially about the dredging material which has been carried into the mouth of the canal, forming a bar, so that boats cannot enter except at high water. He also called attention to the bulging of the wall built by the District, which, he fears, will fail.

## BELT'S FRIENDS TO PUSH HIM FOR FIRE CHIEF

Made Anxious by Naming of Other Aspirants.

The announcement in The Times yesterday that outsiders would probably aspire to appointment at the head of the District Fire Department has created much interest and comment. One result of the statement will be an immediate move by the friends of Senior Assistant Chief Engineer William T. Belt to secure his appointment.

It is understood that Commissioner Macfarland, who has supervision over the department, is opposed to the appointment of an outsider, and he is, besides, much inclined to hold to the civil service idea and recommend the appointment of Mr. Belt. Members of the department and its friends generally have taken it for granted that no one else would be thought of, and the aspirations of at least two men from the outside, or of their friends, come as a great surprise.

A friend of Mr. Belt said last night to a Times reporter it would not surprise him if the Commissioners took the matter up within the next few days by making the appointment and in that manner forestalling any scramble for the position which might come from the outside.

The announcement in yesterday's Times was that friends of ex-Chief McAfee, of Baltimore, were making arrangements to present his name as a candidate for the position. It was also stated that friends of ex-Chief Croker of New York have their eyes on the position with a view to transplanting their favorite to Washington, where a new field would await his abilities.

Both men are regarded as capable and progressive, and in the event of their names being presented would probably make a formidable showing. Doubtless each could muster powerful political backing.

Those best informed expect important developments within a short time with reference to the appointment of the new fire chief.

## TO ASK MASTER BUILDERS FOR INCREASE OF WAGES

Brotherhood of Carpenters and Joiners to Make Demand.

At a recent meeting of the Washington District Council, United Brotherhood of Carpenters and Joiners of America, it was decided to make a demand on the master builders for an increase of wages.

The new schedule of wages, it is proposed, shall go into effect on May 1 next. A circular letter setting forth the demands of the workmen was sent to the master builders. It is said that numerous letters of a satisfactory nature have been received in response.

At the meeting of the council, Locals 150, 884, and 1103 were represented.

## ENGINE CREW JUMPS IN TIME TO AVOID INJURY

CONCORD, N. H., March 7.—A local freight, northbound, over the White Mountain division of the Boston and Maine Railroad, collided head on with an extra southbound freight near Tilton this morning.

Both locomotives were demolished and several cars were wrecked. The locomotive crews jumped and escaped injury.

## OFFICIALS OF UNITED STATES THREATENED

"Lily White" Faction in Alabama Warned of Violence.

BIRMINGHAM, Ala., March 7.—Several Republican leaders in Birmingham have received threatening letters signed "Vigilance Committee."

It is stated that at least half a dozen of them have been received by as many Republicans. One of them was sent to Major Charles J. Allison, clerk of the United States court. Major Allison declined to make a statement, but it is known that threats were made against him and others.

The letter to Major Allison was written on what appears to be a slip of yellow wrapper cut in the shape of a coffin. The letters were rudely printed with a pencil and were evidently disguised. The letter stated that the "Lily Whites" were marked men and would suffer and that the negroes had been accorded worse treatment at their hands than they had been given by the Democrats.

On another letter written to a Republican, who was active in the "Lily White" movement, it was stated that the houses of the "Lily Whites" could be burned or blown up with dynamite; that the leaders would be called upon to suffer/death for their actions, and that former Senator Pritchard, of North Carolina, was a marked man.

On the letters the names of prominent Republicans appear, including Daniel Cooper, marshal; Chief Clerk Ashley, of the marshal's office; William Vaughan, J. H. Bingham, J. W. Smith, J. Carver Cook, J. W. Davidson, W. I. Wellman and others. Where the letters originated is unknown. Those whose names were mentioned in the mysterious letters and who received them decline to discuss the matter.

An investigation will be made.

## BOARD OF PHARMACY TO BE REORGANIZED

One Member Resigns and Two Others Will Serve No Longer.

The Board of Pharmacy, which administers the pharmacy laws, is to be reorganized.

Commissioner Macfarland, who has immediate supervision of the board, has received the resignation of Robert N. Harper, who has been member and secretary of the board, and has also learned that Dr. William P. Carr, and G. G. C. Simms, whose terms have expired, cannot longer give their services to the District. He will ask the Commissioners to accept Mr. Harper's resignation, which is tendered because his private affairs are so exacting that he cannot give the necessary time, and that Mr. Harper, Dr. Carr, and Mr. Simms be thanked by the Commissioners for their long and faithful service to the District, which has been entirely without salary, or other pecuniary return.

Commissioner Macfarland will recommend that Dr. Francis P. Morgan, secretary of the medical society, be appointed to succeed Dr. Carr; Frank C. Henry to succeed Mr. Simms, and that P. T. Hatfield, secretary of the Registered Drug Clerks' Association, be appointed to succeed Robert N. Harper. The other two members of the board, who hold over, are Dr. Murray Galt Motter and H. A. Johnson.

## RIGID ENFORCEMENT OF BUILDING HEIGHT LAW

Apartment House Compelled to Revise Its Plans.

Snowden Ashford, the Inspector of Buildings, is preparing to enforce rigidly the new law relative to the height of buildings. This law limits the height of all structures in residence streets to eighty feet. Formerly buildings ninety feet high were allowed.

The new law has necessitated the changing of plans for a new apartment house filed before the completion of the legislation, but not acted upon. In effect, ten feet or one story, must be taken from the top of the building.

As a result of the agitation over the height of the proposed hotel on the site of the Lawrence Hotel, the new law authorizes higher buildings fronting on the Government reservations. The height is to be governed by the width of the widest street at the angle of intersection. The same rule applies to buildings on corner lots.

Exceptions to the law are made for apses, towers and domes on buildings of certain kinds.

It is also stipulated that frame buildings shall not exceed three stories in height.

## BIDS OPENED FOR NEW ROADWAY AT TREASURY

The bids for the new roadway at the southwest corner of the Treasury building grounds were opened yesterday at 2 o'clock. The following bids were tendered:

John T. Walker, \$2,223.50; time required to do work, twenty-four days.

Colburn Paving Company, \$1,857.60; time required, thirty days.

Richardson & Burgess, \$2,527; time required, sixty days.

Crawford Paving Company, \$1,597.50; time required, twenty days.

Rezina W. Darby, \$2,100; time required, thirty days.

It is stated that the bids are within the appropriation. The Crawford Paving Company, making the lowest estimate and setting also the shortest time limit for the completion of the work, will be awarded the contract. All bids were in conformity with the requirements.

**A SALE OF PIANOS**

Of Interest to Every Music Lover in Washington.

Every Piano in Our Warerooms Reduced to Prepare for Our Removal to 1218-20 F Street.

The reductions are substantial in themselves and their importance is even doubly important when one considers the instruments that are being sacrificed.

Ten per cent off all the new Pianos—including such Pianos as Knabe's, Emerson's, Smith & Barnes' and Heller's. Reductions ranging up to 35 per cent on instruments that have been used.

Every effort that price controls will be made to dispose of every instrument possible, before our new building is ready. The time is short for such a sale—and that, too, affects prices.
